

# AMIR FAYSAL

PRODUCT MANAGER

## CARRIER OBJECT

Skilled and experienced Product Manager with experience in product marketing, product introduction, and the overall management of a product's life from conception to fruition. Experience in assessing customer desires and requirements and generating a product that successfully meets those standards. Bringing forth the ability to determine product specifications, production timelines, and in-depth plans for product development. An analytical thinker who works collaboratively to get the job done.

## WORK EXPERIENCE

### Product Manager

2020 - 2021

Lskit, Khulna, Bangladesh

- Successfully developed the latest platform of the internet sensation, Lskit.
- Developed relationships with partners and users to drive content and opportunity for the new platform.
- Established and monitored timelines in association with product launch.
- Assessed user feedback and lead initiatives for product adjustments to grow user base and overall user satisfaction.

### Product Manager

ThinkyStorm, Dhaka, Bangladesh

2021 - 2023

- Worked to improve existing products based on customer evaluations and needs.
- Led collaboration meetings to develop key processes for creation of new products.
- Successfully prioritized product requirements and set realistic expectations in regards to development and timeline.
- Tested product usability with UX research team.
- Identified failures and successes of a product, using them as a springboard for future development goals.
